

People we need represented	Identified community gaps	Questions we want to investigate	Community resources we want to pursue
Office of Children's Council	Quality in home family therapy and wrap around services	Are there DV training or resource programs that are online	Intermountain elevated BHS services
Emerge!	Shelter for fathers with children	What is the best evidence based intervention model	Our Family shelter
All CSPs need to be represented		What services are offered for women in shelters	Open Inn
		Field trips to certain identified centers or services might be embraced	Casa de los Niños shelter/BHS programs/supervised visitation
		Resource listing for families together and apart and juv. offender	DVAC
		What services can mediation program offer	Probation taught classes

Thanks,

Joanne
